

# Data Driven Instruction

Bunker Hill Elementary School is Making it Happen!

**WE ARE** Bunker Hill Elementary, located in Franklin Township. FTCSC is a small suburban school district in the Southeast corner of Marion County. Our school is a moderate size elementary school, with 567 students. We are one of six elementary schools in our township.

**OUR STUDENTS & FAMILIES** come from a variety of backgrounds. Our student population consists of 34% Free/Reduced lunch program recipients. 75% of our students are Caucasian, but there is a variety of ethnic backgrounds throughout the school. The English Learner population is 6.3% and continuing to steadily grow.

**OUR TEACHERS** are collaborative, data driven, and hard-working. Teachers meet weekly at PLC's to hone their teaching practices and review data. We have 23 general education, 2 special education, 1 EL teacher, and 6 instructional assistants.

**OUR PROMISING PRACTICE** is data driven instruction that has proven beneficial for our students. For the past six years we've dug deep into our daily, weekly, and benchmark data throughout the school year. ISTEP retrospective data, Acuity predictive data, DIBELS data, curricular assessments, writing prompts, and student check in data are part of every teacher's repertoire of resources for guiding instruction. Teachers drill down to identify specific skills where a child is deficit using their data and adjust their instruction to address the gaps. Teachers use data to guide their small group instruction, which is skill specific.

**OUR STEPS** The principal leads the process for all data analysis by providing timelines, agenda's and coverage for teacher classrooms to review data if needed. Teachers print their data and follow the given steps or dig deeper when they make connections with curricular strengths or weaknesses. This has been sustainable because it is part of our culture. Teachers and staff members know when they give assessments that it will be followed up with analysis and next steps will be developed to combat any needs of our students.
